

The logo for 'Silly Bytes' features the words 'Silly' and 'Bytes' in a playful, hand-drawn font. The letter 'i' in 'Silly' is a small dot. The word 'Bytes' has a stylized 'y'. In the center, between the two words, is a large, brown gear. Inside the gear is a black and white portrait of a smiling man with short hair, wearing a collared shirt. The entire logo is set against a white background.

- [C] + new - open a file in a new buffer
- + new - split windows vertically
- [I] nname - Split window between windows

Multiple files

[illegible]

Selecting text (Visual Mode)

Join line below to the current one
Change the character to the end of word
Delete to the end of word
Delete to the beginning of word
Delete current paragraph
Delete current word
Delete character and substitute text

Editing

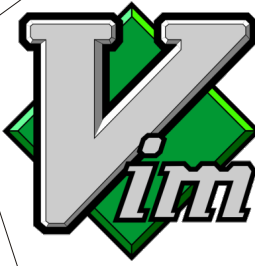

- Join
